AN ACT relating to public assistance; establishing the Silver State General Assistance Program within the Division of Social Services of the Department of Human Services; setting forth the powers and duties of the Administrator of the Division relating to the Program; creating the Account for the Silver State General Assistance Program; authorizing a transfer to that Account from the unrestricted balance of the State General Fund under certain circumstances; making appropriations; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Division of Social Services of the Department of Human Services to administer various programs of public assistance. (Chapter 422A of NRS) **Sections 2-9** of this bill establish the Silver State General Assistance Program within the Division to provide temporary financial or in-kind assistance to eligible persons and households who are experiencing an extraordinary circumstance. **Section 3** defines “extraordinary circumstance” as an event, condition or situation that creates an unusual or significant need for State intervention to protect the health, safety or general welfare of the residents of this State, including a disruption in the provision of, suspension of or any related reduction in benefits provided under a program of public assistance. **Section 6** requires the Administrator of the Division to administer the Program within the limitations of available money.

Section 7 prescribes requirements relating to eligibility for assistance under the Program and requires the adoption of regulations for the administration of the Program. Under existing law, the adoption of such regulations is exempt from the Nevada Administrative Procedure Act. (NRS 233B.039) However, the

Administrator is required to comply with a procedure set forth in existing law for adopting regulations for programs administered by the Division, which includes 30 days' notice of the intended adoption. (NRS 422A.190) **Sections 7 and 13** of this bill exempt the Administrator from this procedure when adopting regulations for the administration of the Program under certain circumstances, but require such advance notice of such regulations as is practicable and the posting of the notice and regulations on the Internet website of the Division.

Section 8 sets forth certain powers of the Administrator relating to the Program. **Section 9** makes certain information obtained by the Division in the administration of the Program confidential. **Section 9** also requires the Administrator to submit an annual report regarding the Program. **Section 12** of this bill makes a conforming change relating to the confidentiality of certain information obtained during the administration of the Program.

Section 10 of this bill creates the Account for the Silver State General Assistance Program in the State General Fund for the deposit of money received for the Program. **Section 11** of this bill provides a procedure for the transfer of money from the unrestricted balance of the State General Fund to the Account for the provision of assistance under the Program for an extraordinary circumstance if there is a specified minimum balance remaining in the State General Fund after the transfer and the Governor has declared the existence of the extraordinary circumstance.

Sections 14 and 15 of this bill make appropriations from the State General Fund for the provision of assistance under the Program for the periods of November of 2025 and December of 2025, respectively. For purposes of such assistance, **sections 14 and 15** deem a person or household in this State who is enrolled in the federally-funded Supplemental Nutrition Assistance Program for any period during November of 2025 or December of 2025, respectively, to: (1) be eligible for assistance under the Silver State General Assistance Program during the same period; and (2) have jointly applied for and have been jointly processed and approved for both programs.

17 sections 35, 38 and 41 of chapter 478, Statutes of Nevada 2011 and
18 section 2 of chapter 391, Statutes of Nevada 2013 and unless
19 otherwise declared by law to be confidential, all public books and
20 public records of a governmental entity must be open at all times
21 during office hours to inspection by any person, and may be fully
22 copied or an abstract or memorandum may be prepared from those
23 public books and public records. Any such copies, abstracts or
24 memoranda may be used to supply the general public with copies,
25 abstracts or memoranda of the records or may be used in any other
26 way to the advantage of the governmental entity or of the general
27 public. This section does not supersede or in any manner affect the
28 federal laws governing copyrights or enlarge, diminish or affect in
29 any other manner the rights of a person in any written book or
30 record which is copyrighted pursuant to federal law.

31 2. A governmental entity may not reject a book or record
32 which is copyrighted solely because it is copyrighted.

33 3. A governmental entity that has legal custody or control of a
34 public book or record shall not deny a request made pursuant to
35 subsection 1 to inspect or copy or receive a copy of a public book or
36 record on the basis that the requested public book or record contains
37 information that is confidential if the governmental entity can
38 redact, delete, conceal or separate, including, without limitation,
39 electronically, the confidential information from the information
40 included in the public book or record that is not otherwise
41 confidential.

42 4. If requested, a governmental entity shall provide a copy of a
43 public record in an electronic format by means of an electronic
44 medium. Nothing in this subsection requires a governmental entity

1 to provide a copy of a public record in an electronic format or by
2 means of an electronic medium if:

3 (a) The public record:

4 (1) Was not created or prepared in an electronic format; and

5 (2) Is not available in an electronic format; or

6 (b) Providing the public record in an electronic format or by
7 means of an electronic medium would:

8 (1) Give access to proprietary software; or

9 (2) Require the production of information that is confidential
10 and that cannot be redacted, deleted, concealed or separated from
11 information that is not otherwise confidential.

12 5. An officer, employee or agent of a governmental entity who
13 has legal custody or control of a public record:

14 (a) Shall not refuse to provide a copy of that public record in the
15 medium that is requested because the officer, employee or agent has
16 already prepared or would prefer to provide the copy in a different
17 medium.

18 (b) Except as otherwise provided in NRS 239.030, shall, upon
19 request, prepare the copy of the public record and shall not require
20 the person who has requested the copy to prepare the copy himself
21 or herself.

22 **Sec. 13.** NRS 422A.190 is hereby amended to read as follows:

34 which interested persons may present their views thereon.

35 (b) Include a statement identifying the entities that may be
36 financially affected by the proposed regulation and the potential
37 financial impact, if any, upon local government.

38 (c) State each address at which the text of the proposed
39 regulation may be inspected and copied.

40 (d) Be mailed to all persons who have requested in writing that

42 Administrator for that purpose.

43 3. All interested persons must be afforded a reasonable

8 request at no charge pursuant to NRS 241.035.

9 5. No objection to any regulation on the ground of
